To access this information, log in either via ILIAS or through the internet.

Please open the Campus Portal on the HSU homepage in ILIAS: https://ilias.hsu-hh.de/goto.php?target=cat_480391&client_id=unibw

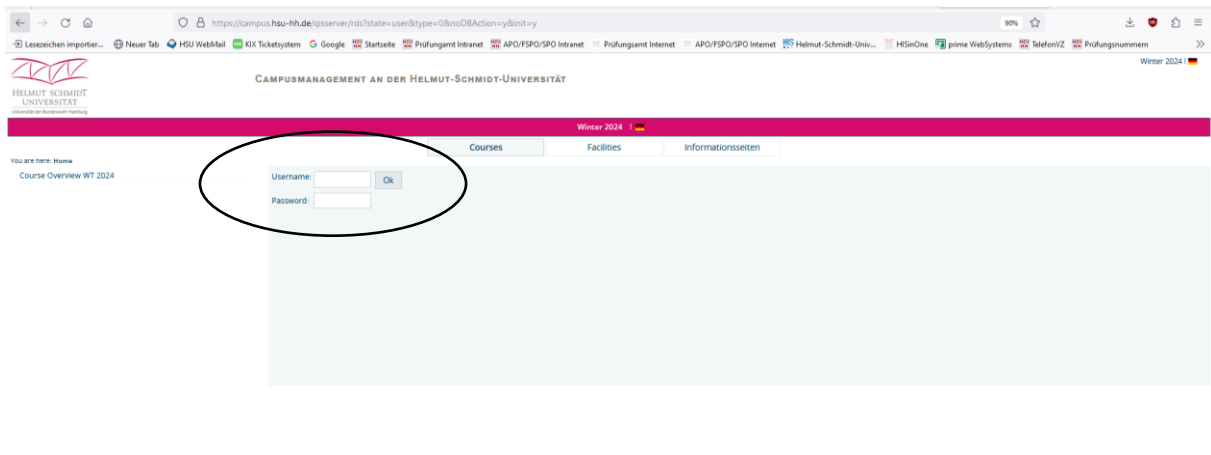

You can access the campus portal via the navigation on the left-hand side under “HSU-Dienste”.

Alternatively, you can open the CMS through the quick links at the bottom of the HSU homepage on the internet:

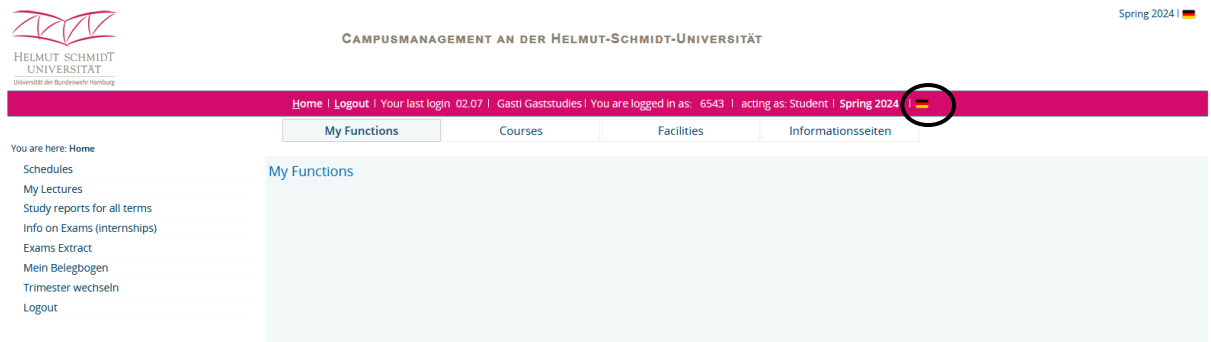

In the next step, please log in to the Campus Portal using your computer center ID.

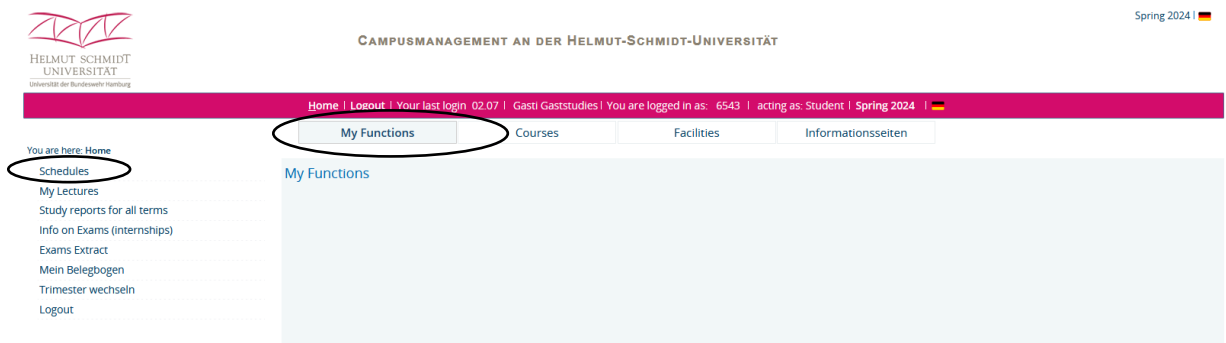

2. Change language

If your native language is not German, you can change the language to English by clicking on the flag icon.

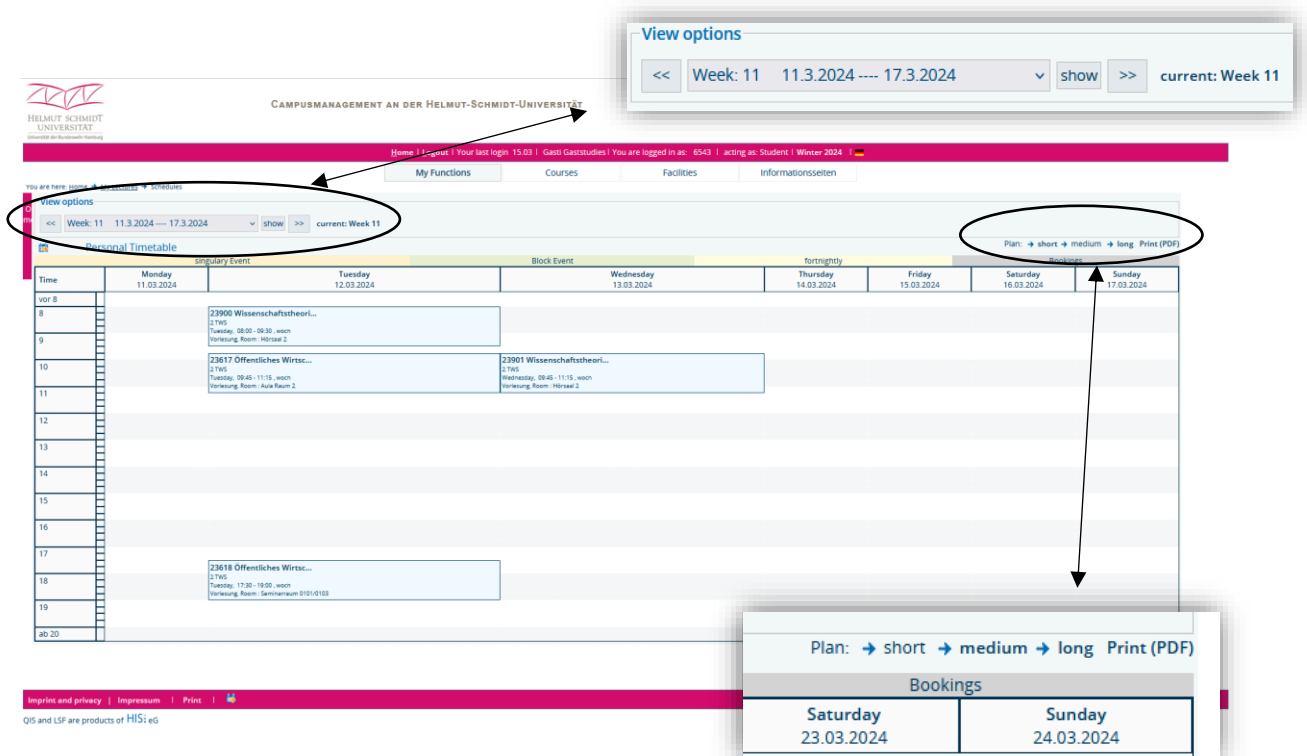

3. Lesson plan

You can access your personal timetable in the navigation column on the left-hand side under “My functions”.

The timetable provides a calendar overview of the courses you are attending. You can switch between weeks using the drop-down menu or the “<<” or “>>” symbols.

In the top right-hand corner there is an option to customize the view. By selecting “short,” “medium,” or “long,” you can choose the level of detail for displaying your courses (e.g. room details, trimester hours per week [abbreviated: TWS], or time). Click on the respective course to obtain further information.

4. My events

You can use the “My Lectures” function to view all the courses you have registered for during the term.
