

Curriculum Vitae
Prof. Dr.-Ing. Jens Peter Wulfsberg

Chair of Production Engineering (LaFT)

Helmut Schmidt University, University of the Federal Armed Forces Germany

Holstenhofweg 85

22043 Hamburg

Germany

Tel. +49 40 6541 2720

Fax +49 40 6541 2839

E-Mail: jens.wulfsberg@hsu-hh.de

Personal Born 1959

Education

1980 - 1985 Study of mechanical engineering at Hannover University
1986 Graduated at Hannover University
1991 Dr.-Ing. in Mechanical Engineering at Hannover University

Industrial Experience

1992 - 2000 Olympus Winter & Ibe GmbH, Hamburg
 department leader Research & Development, Production
 Engineering
1996 - Member supervisory board Hornbach Baumarkt AG

Academic Experience

1986 - 1988 Researcher and project-leader at the Institute of Production
 Engineering and Machine Tools, Hannover
1988 - 1992 Department leader at the Institute of Production Engineering and
 Machine Tools (IFW), Hannover
since 2001 Chair of Production Engineering at the Helmut Schmidt University
 Hamburg
2005 - 2007 Dean of Mechanical Engineering Faculty
since 2010 Coordinator of the Priority Research Programme SPP1476
 (German Research Foundation)
2011 - 2013 Vice President Research, Helmut Schmidt University

Publications	<p>About 100 national and international publications in the fields of production technologies, micro production, production organization and robotics</p> <p>About 15 patents (Inventor or Applicant)</p>
Research of the LaFT	<p>Micro Manufacturing Technologies</p> <p>Production Systems for Micro Manufacturing</p> <p>Robotics and Automation</p> <p>Knowledge Management</p> <p>Open Source Production</p>
Memberships	<p>Deutsche Akademie der Technikwissenschaften - acatech -</p> <p>Wissenschaftliche Gesellschaft für Produktionstechnik (WGP)</p> <p>European Society for Precision Engineering and Nanotechnology (EUSPEN)</p> <p>International Federation for the Promotion of Mechanisms and Machine Science (IFTToMM)</p> <p>Wissenschaftliche Gesellschaft für Montage Handhabung Industrierobotik (MHI)</p>
