

„Resilienz und Achtsamkeit in unsicheren Zeiten“

Governance in Turbulent Times

Vortrag von
Prof. Dr. Jarle Trondal • University of Agder, Norwegen

**Montag, den 27. Mai 2019
um 17:30 Uhr • Raum 0105**

Turbulence has become a nearly normal feature of contemporary public governance. Therefore, public organizations require to face governance challenges of certain kinds—situations where events and demands interact in a highly variable, inconsistent, unexpected and unpredictable manner.
