About dtec.bw

The dtec.bw - Digitalization and Technology Research Center of the Bundeswehr is a scientific center jointly supported by the Universities of the German Armed Forces in Hamburg and Munich as part of the economic recovery plan of the Federal Government of Germany to overcome the COVID-19 crisis. It is academically self-governed. The funds are utilized by both universities to fund projects and research for the transfer of knowledge and technology. dtec.bw is funded by the European Union – NextGenerationEU.
